

# CHOOSE HENRY

## Investing in Healthcare

Henry County residents and visitors enjoy some of the finest healthcare services in the Atlanta region courtesy of Piedmont Henry, a 215-bed, not-for-profit hospital located in Stockbridge, Georgia with more than 1,450 employees and 400 physicians and nearly 500 nurses on staff. A member of Piedmont Healthcare's South Region, Piedmont Henry Hospital provides 24-hour emergency care plus medical, surgical and diagnostic services.

## Regional Snapshot

Home to more than 789,000 workers, Henry County has gained a solid reputation as one of the top sites for business locations and expansions in Georgia and the Southeast. In the heart of Georgia, Henry County is a key piece of the state that has earned favorable rankings as the No. 1 State for Business.
